ABOUT THE VENUE

Pondicherry is the capital and most populous city of the Union Territory of Pondicherry in India. The city is in the Puducherry district on the southeast coast of India and is surrounded by the Bay of Bengal to the east and the state of Tamil Nadu. The average maximum temperature is 36°C. Pondicherry is connected to by road, train and Air. Pondicherry is a tourist destination. The city has many colonial buildings, churches, temples, and statues which, combined with the town planning and French-style avenues in the old districts, still preserve much of the colonial ambiance. The Sri Aurobindo Ashram, located on Rue de la Marine, is one of the most important ashrams in India. Puducherry Botanical Gardens is located south of the New Bus Stand. Arulmigu Manakula Vinayagar Devasthanam on Manakula Vinayagar Street is a Hindu temple to Ganesha. Sri Manakula Vinayagar Temple was in existence before the French came and settled in Pondicherry in 1666. Ocean Spray Resort has immerse yourself in the splendour of Ocean Spray, the quintessence of a luxury resort in Pondicherry, boasting one of the largest swimming pools on the eastern seaboard of India. Nestled far from the urban cacophony, this iconic resort in Pondicherry offers a serene escape within its dazzling 23-acre landscape, adorned with a man-made lake that cradles our seductive pool.
